

# L.J. Sellers, Fiction Editor & Submissions Specialist

*... award-winning  
journalist, skilled  
editor, and well-  
reviewed novelist.*

**Rate:** \$2.25 per page  
(includes proofreading,  
syntax editing, and plot  
development feedback)

I offer specialized expertise—20 years of editing experience combined with well developed novel writing skills. In addition to being an excellent proofreader, I have a great eye for consistency in setting and character details and an intrinsic sense of story structure, tension, and pacing. If you have book layout or formatting needs, I have those skills as well (InDesign 3).

## **Clients say:**

“Ms. Sellers’ editorial work was fast, accurate and extremely helpful at a very reasonable price. She took an active interest in the manuscript and was sensitive to its needs as well as my own. Her feedback went well beyond a mere technical correction of grammar—down to felicities of phrases and very helpful suggestions concerning plot development. She exceeded my needs with exemplary skill and sensitivity.” —Mark H. Phillips,  
*Author of The Resqueth Revolution*
